Since 2007, StrackaLine is the trusted Greens Guides and Yardage Book supplier to all the touring professionals, collegiate teams, and all levels of amateur golf. StrackaLine's USGA compliant greens guides offer a level of detail and accuracy not available anywhere else for the most precise green reading. The yardage books include complete tee-to-green measurements for every hole. StrackaLine books elevate the overall level of play for any golfer, improves their scores by making more putts and will guarantee to help save strokes under critical tournament situations.

The StrackaLine Combination books (Greens Guides and Yardage in one book) includes the following:

- USGA compliant Greens Guides with:
 - 3 different green depictions:
 - *Slope % view.*
 - *Slope heat map view.*
 - *Elevation View.*
 - Stats and notes page.
- Yardage book portion includes complete tee to green measurements for every hole along with:
 - Elevation changes tee to green.
 - Cover distance to bunkers and penalty areas.
 - Distance Rings.
 - Compass off tee shot and to greens.
 - Fairway arrows (when available).
 - Width of Key areas such as penalty to penalty areas.

The best players in the world are using StrackaLine books and you can too!
