## ARTICLE I: MEMBERSHIP

Section 1. Membership in the Association shall be open to any “golf club” composed of bona fide residents of the State of Alabama, whether or not incorporated. A “golf club” shall be an organization of at least 10 individual members which operates under by-laws with committees appointed to supervise golf activities and to maintain the integrity of the USGA Handicap System. Its members must have a reasonable and regular opportunity to play golf with each other and be able personally to return scores or scorecards for posting. An organization of amateur golfers at a public golf course is considered a golf club, provided that it satisfies the conditions stated in this paragraph. Section 2. The Association shall be composed of the following classes of members: (a) Member Clubs. A Member Club shall be any golf club as defined in Section 1 above which provides to its individual members the handicap service offered by the Association. (b) Individual Members. Individual Members shall consist of all members of Member Clubs who are active on the roster of the handicap service referenced in Paragraph (a) above. Member Clubs and Individual Members shall be entitled to all privileges and services offered by the Association. Section 3. Applications for membership shall be made in writing to the Secretary of the Association on such form as required, accompanied by such information as that Officer deems necessary for the Directors to have before passing on the application. No Member Club shall be admitted to membership in the Association without being first approved by a majority vote of the Directors constituting a quorum at a regular or special meeting of the Board of Directors or of a committee thereof authorized by the Board. Section 4. The acceptance of membership in the Association shall bind each member to abide by the Articles of Incorporation, the By-laws and the rules and regulations of the Association and to accept and enforce all decisions which the Board of Directors is authorized to make relating to the affairs of the Association. Section 5. Any Member Club of the Association may be suspended or expelled upon a majority vote of the Directors for non-payment of dues and fees or for any other reason satisfactory to a majority of said Board of Directors. No Member Club shall be suspended or expelled without due notice, with formal charges, and an opportunity to be heard in its own defense. Section 6. On ceasing to be a member of the Association, any member shall no longer be interested in, or have any interest of any kind whatsoever in any of the property of the Association. Section 7. The amount of annual dues and initiation fee and other fees for any of the members shall be as established from time to time by the Board of Directors. Annual Dues for all classes of membership shall be payable immediately upon receipt of any invoices for same. Section 8. Membership shall be automatically continuous unless interrupted by written resignation or expulsion. Ten days’ notice shall be given of any meeting of the membership and shall be given by regular mail, postage prepaid, or via electronic mail (e-mail) to all Member Clubs. Section 2. Each Member Club shall have, at any annual or special meeting, the right to be represented (in person only) by one voting delegate or alternate duly elected by such Member Club. A quorum shall exist at any such meeting when representatives of at least seven Member Clubs are present. Section 3. At the annual meeting the delegates there shall elect from the membership of the clubs holding membership in the Association, a President, Vice-President, Secretary and Treasurer (or they may elect one person to fill both positions of Secretary and Treasurer) and a Board of Directors, whose number shall not be less than five nor more than thirty-five. Those so elected shall hold office until the election of the Directors at the next annual meeting. The President, Vice-President, Secretary and Treasurer must not serve more than two (2) consecutive one-year terms and may not succeed themselves in office. Should the President resign or for any reason be unable to fulfill the duties of his office, the Vice President shall succeed to the Presidency immediately. Should the Vice President, the Secretary or the Treasurer resign or for any reason be unable to fulfill the duties of office, the Board of Directors shall elect from its membership a successor to serve until the next Annual Meeting. Section 4. The President and Vice-President, Secretary and Treasurer shall be ex-officio members of the Board of Directors. Section 5. The election of the Officers and Directors shall be made in such a manner as the majority of the delegates may determine at the annual meeting. Section 6. A majority of the Directors may grant the designation of “Director Emeritus” upon any retired Director, who shall be allowed to attend meetings of the Directors as a non-voting participant.
