Pace of Play

The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace, therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Following the lead of the USGA, the AGA has developed a pace of play policy, based on Rule 5.6b and Model Local Rule 8K that is fair to every competitor.

*Note: a group may receive a “friendly reminder” of their position regardless of pace of play guidelines.

Maximum Allowable Time

The maximum allowable time is the maximum time considered necessary by the Committee for a group to complete its round. This is expressed in a per-hole and aggregate time format and includes all time associated with playing the game, e.g., for rulings and walking times between holes.

Both the specific maximum time allotted per hole and for the completion of 18 holes at AGA championships will be denoted on each player’s AGA issued scorecard.

See the complete [AGA Pace of Play Policy](#) for the procedure if a group is “out of position” and penalty for breach of Pace of Play Policy.
